INDIVIDUAL ACHIEVEMENTS

AMET (Deemed to be University) consistently gives importance to buildup and encourage the students, Faculty and other stakeholders to promote the socio- economic activity towards the neighborhood community in terms of government initiatives like Swachh Bharath, Women Empowerment, Health & Hygiene, Education, Environmental Issues, Socio Economic Development. For every academic year various communal activities are planned and executed in collaboration with various government and Non-Governmental organization successfully.

ABOUT AMET NCC:-

Our AMET NCC Unit has been established in the year 2018-2019 under 1 (TN) Naval NCC Unit, Chennai. There are total 37 cadets/students including SD's and SW's are on roll where they are exposed to well planned training activates and various community activities. These training and social activities encourages the young mind to put their effort in solving socio- economic issues of the local community and around the state.

Through the activities organized by the AMET NCC the strake holders of the Institute are given with an opportunity to do the service for the under privileged local community. These neighborhood communities are benefited in terms of Education, latest skill, Hygiene, job opportunity, Environmental conscience and National Integrity.

S.No	Objectives
1	The main Motto of NCC is “Unity and Discipline”
2	The NCC aims at developing character, comradeship, discipline, a secular outlook, the spirit of adventure, and of selfless ,ideal service amongst young citizens
3	NCC aims at creating a pool of organized, trained and motivated youth with leadership qualities in all walks of life, who will serve the Nation regardless of which career they choose
4	NCC also provides an environment conducive to motivating young Indians to join the armed forces

CORE VALUES OF NCC :

The NCC is a responsive, learning and continuously evolving organization. Its activity is guided by certain Core Values that we endeavour to instill among all ranks of the NCC. These include the following:

1. A sense of patriotic commitment to encourage cadets to contribute to national development.
2. Respect for diversities in religion, language, culture, ethnicity, life style and habitat to instill a sense of National unity and social cohesion.
3. Abiding commitment to learn and adhere to the norms and values enshrined in the Indian Constitution.
4. Understanding the value of a just and impartial exercise of authority.
5. Ability to participate in community development and other social programme.
6. A healthy life style free of substance abuse and other unhealthy practices.
7. Sensitivity to the needs of poor and socially disadvantaged fellow citizens.
8. Inculcating habits of restraint and self-awareness.
9. Understanding the values of honesty, truthfulness, self-sacrifice, perseverance and hard work.
10. Respect for knowledge, wisdom and the power of ideas.

SOCIO-ECONOMIC CATEGORIES

The different Socio- Economic categories in which the activities are carried out and the impact over the neighboring community are as follow:

EDUCATION:

(a) **Women Empowerment activity:** Women play an imperative role in making a nation progressive and guide it towards development. AMET NCC conducts the social activity to educate and provide awareness to the women and girl children on their personal safety and security. With the guidance from the state government police the nearby school children were given awareness on using Kavalan mobile SOS application which is launched by state government police to solve any issues faced by the women and elderly person in and around the state.

Impact: Through continuous guidance and effort most of the women teachers, girl students, their Parents and elder people of the locality are well versed with using the application during their emergency situation. This gives them a confident to fight against the women discrimination.

(b). Swachhta Pakhwada: In line with Swachhta Action Plan (SAP) proposed by the GOI for cleanliness of ground water and drinking water. With the implication of SAP, our university has organized Mega swachhta Pakhwada seminar on “Awareness on ground water pollution” and followed by campaign on “Rain water Harvesting”.

Impact: At Chennai in the month of November to December large volume of rainwater are wasted due to lack of proper knowledge on rainwater harvesting. By keeping this in mind the campaign on “Rain water Harvesting” initiated, through which the public were educated on various simple and economical techniques to save rainwater thereby reduced the depletion of ground water.

(c). **Coastal Cleanup activity:** Since AMET is located over the East coastal region, our university insists to promote the objectives of SBM over coastal zone by removing the plastic waste and Litter.

Impact: By doing this Swachata activity regularly cadets/ Students and also by involving the Fishing community the plastic waste, Bottles, Litter is reduced drastically.

HEALTH AND HYGINE

(a). **Blood Donation:** AMET NCC cadets regularly participate in blood donation camps organized by NGO's and government Blood banks.

(b). **Organ donation:** Organ Donation Day is observed annually on 13th of August. Due to lack of awareness, myths and fears in peoples' mind about organ donation with aim of this awareness we focus on motivating normal human beings to pledge to donate organs after death, and to spread awareness about the importance of organ donation. **Tamil Nadu ranks first in India in deceased organ donation rate at 1.8 per million populations, which is seven times higher than the national average.**

AMET NCC has organized **“An Awareness programme on organ donation and donor Registration”** also followed by a rally to promote the importance of Organ donation in collaboration with **TRANSTEN** (A Government multi-specialty hospital Omandur, Chennai).

Impact: Along with Honorable Vice Chancellor about 53 cadets Volunteered to register for organ donation on the day of awareness programme.
