Extension and outreach programs conducted

ACADEMIC YEAR 2023-2024

Extension and outreach activities

The Department of Commerce at AMET University organized an outreach program on "Beach Cleaning at Kovalam Beach" on 10th September 2023. The event aimed to raise awareness about the importance of environmental conservation and the need for beach cleaning. Students and faculty members actively participated in cleaning the beach, removing litter, and promoting eco-friendly practices. The program was designed to foster a sense of responsibility towards the environment and encourage sustainable actions. The participants also

engaged in discussions on the impact of pollution on marine life. The event was a great success, with positive feedback from attendees. The Department of Commerce plans to continue such initiatives in the future to promote environmental sustainability.
