

AMET Business School

AMET Alumni Association (A3) provides the ideal platform for its alumni to maintain connections to their alma mater and fellow graduates. It seeks to extend unique privileges and benefits to its members. The platform endeavours to support new alumni and provide a forum to form new friendships and even business relationships among its members.

An annual reunion is planned to be organised the details of which will be available on this site. AMET is willing to extend the opportunity to any alumnus who wishes to contribute towards this expense. AMET also invites its alumni to sponsor awards and prizes for students, which will be duly acknowledged. An open invitation extends to all alumni to visit the campus to meet the Faculty members and mentor the current students. Within a very short span of time, the passed out students of the AMET (Deemed to be University) evinced much interest to associate themselves with this Forum and around 12210 of them have so far enrolled as members. The students completing the 2-year MBA (Shipping and Logistics Management) Programme are eligible to register as Alumni in AMET.
