

List of Book chapter Published

Name of the teacher	Title of the book/chapters published	Title of the paper	ISBN/ISSN number of the proceeding	Name of the publisher
Vijayaraj and K. Altaff	Herbs for Disease Prevention and Treatment	Bioactive Molecules from Marine Macroalgae for the Management of Diabetes Mellitus with Reference to their Inhibitory Activity: An Overview	9789815274882	Bentham Science Publishers
Dr. Vijayaraj and K. Altaff	Zinc	Zinc in Marine Ecology and Environment	9781003412472	Taylor and Francis
Dr M. Jayaprakashvel	Microbial BioTechnology for Sustainable Agriculture	Endophytic Fungi: Important Source of Biologically Active Molecules	978-981-16-4843-4	Springer
Vennila Thirumalaiswamy, C.V. Vaishali, Sathyavathi Sundararaju, Chockalingam Muthiah Ramakritinan, Muneeswaran Thillaichidambaram, Franck Ouero.	Nanoscience & Nanotech for smart prevention, Editor(s): Sathish-Kumar Kamaraj, Arun Thirumurugan, Muthuchamy Maruthupandy, Mercedes Guadalupe López Pérez, Shanmuga Sundar Dhanabalan	Nanotechnological strategy for the diagnosis of infectious diseases: Recent developments and opportunities. Pp-143-181. 18-June 2024.	2024	Scrivener Publishing LLC, John Wiley & Sons Inc, Beverly, USA.
Dr M. Jayaprakashvel	Evolution-Simplified Introduction-Part 1 (Tamil)	-	ASIN: B0845VWH4P	Amazon Kindle
Dr M. Jayaprakashvel	Evolution-Simplified Introduction-Part 2 (Tamil)	-	ASIN: B084BYZXBL	Amazon Kindle
Dr M. Jayaprakashvel	Evolution-Simplified Introduction-Part 3 (Tamil)	-	ASIN: B0845VWH4P	Amazon Kindle
Dr M. Jayaprakashvel	How to do PhD?	-	ASIN: B0851M4GJH	Amazon Kindle
Prof. Dr. K. Altaff	Live Feed for Aqua -	1. Indigenous Live	9789353216542	Creative

	Hatcheries	Feed and Its Importance of Aqua - Hatcheries 2. Feeding Schedule and Strategies of fine fish and shell fish 3. Biology and culture for Tubifex worms		publisher
Dr M. Jayaprakashvel	Secondary Metabolites of Plant Growth Promoting Rhizomicroorganisms- Book chapter (Springer)	Metabolites of Plant Growth-Promoting Rhizobacteria for the Management of Soilborne Pathogenic Fungi in Crops	978-981-13-5861-6	Springer
Dr. M. Jayaprakashvel	Halophytes , Endophytic Fungi And Their Importance	Halophytes , Endophytic Fungi And Their Importance	978-93-80430-43-0	CBA Publishers
Dr. M. Jayaprakashvel	Manual On Isolation, Observation And Identification Of Endophytic Fungi	Manual On Isolation, Observation And Identification Of Endophytic Fungi	978-93-80430-43-0	CBA Publishers
M. Jayaprakashvel L. Benedict Bruno and N. Sri Kumaran	Hand book for the preparation of fish amino acid from fish wastes	Hand book for the preparation of fish amino acid from fish wastes	978-93-85434-34-1	AMET
Dr.M.Jayaprakashvel Dr. N. Srikumaran	Laboratory Manual on molecular taxonomy techniques for the identification of marine organisms	Manual on molecular taxonomy techniques for the identification of marine organisms	978-93-85434-32-7	AMET
Dr.M.Jayaprakashvel Dr. N. Srikumaran Dr. G. Surendiran	Techniques in Extraction, Purification and characterization of bioactive metabolites from Bioresources	Techniques in Extraction, Purification and characterization of bioactive metabolites from Bioresources	978-93-85-434-26-6	AMET

N. Sri Kumaran,	A Monograph on Common Ascidian in Tuticorin region	A Monograph on Common Ascidian in Tuticorin region,	978-93-85434-34-1	AMET
S. Arul arasan, R. Muthezhilan & M. Jayaprakashvel	A monograph on the identification of common marine mollusks (gatropods and bivalves) in the east coast of Tamilnadu, India	A monograph on the identification of common marine mollusks (gatropods and bivalves) in the east coast of tamilnadu india	978-93-85434-34-1	AMET
M. Jayaprakashvel	A monograph on the biology of three common coastal plants of Chennai coastal area	A monograph on the biology of three common coastal plants of chennai coastal area	978-93-85434-34-1	AMET
M. Jayaprakashvel	Recent Trends in Bioprospecting of marine resources: Opportunities and Challeges	Recent Trends in Bioprospecting of marine resources: Opportunities and Challeges	978-93-85434-19-8	AMET
M. Jayaprakashvel & S. Sangeetha	Marine Actinomycetes: A Bioprospecting Perspective	Marine Actinomycetes: A Bioprospecting Perspective	978-93-85434-34-1	AMET
Dr. M. Jayaprakashvel, Dr. R. Muthezhilan, Prof. Dr. K. Ramalingam, Prof. Dr. A. Jaffar Hussain,	Laboratory manual on Marine biotechnology	Laboratory manual on Marine biotechnology	978-93-85434-34-1	AMET
Dr. M. Jayaprakashvel	Biocontrol mechanisms of siderophores against bacterial plant pathogens	Sustainable Approaches to Controlling Plant Pathogenic Bacteria	9781482240535	CRC press
Dr. M. Jayaprakashvel	Quorum Sensing in Plant Pathogenic and Plant-Associated Bacteria	Sustainable Approaches to Controlling Plant Pathogenic Bacteria	9781482240535	CRC press
Dr. M. Jayaprakashvel	Springer - Book entitled "Nanostructures for	Antibiofilm, Antifouling, and Anticorrosive	978-3-030-40337-9	Springer Nature

	Antimicrobial and Antibiofilm Applications"	Biomaterials and Nanomaterials for Marine Applications		
Dr. M. Jayaprakashvel	Springer - Book entitled "Implication of Quorum Sensing and Biofilm Formation in Medicine, Agriculture and Food Industry"	Bacterial Quorum Sensing: Biofilm Formation, Survival Behaviour and Antibiotic Resistance	978-981-32-9409-7	Springer Nature
Dr. M. Jayaprakashvel	Springer - Book entitled "Implication of Quorum Sensing and Biofilm Formation in Medicine, Agriculture and Food Industry"	Implications of Quorum Sensing and Quorum Quenching in Aquaculture Health Management	978-981-32-9409-8	Springer Nature
