

Details of papers published by faculty in National & International Conferences

	Total Number of papers published by Faculty in Conferences					
Academic Year	2015-2016	2016-2017	2017-2018	2018-2019	2019-2020	2020-2021
Number of papers published by faculty in Conferences	4	5	21	36	49	19

List of Papers Published by Faculty in National & International Conferences (2017 – 2018)

S.No	Name of the Author/Authors	Title of the Paper	Title of the Conference Proceedings	Title of the Conference	National/International	Year of Publication	ISBN No
1	Madhuchandrika Chattopadhyay , R.Rajavel	A Comparative Study on Performance of a Grid Connected Solar PV System installed in the Urban, Rural and Coastal region of India	Proceedings of 2 nd International Conference on Inventive Systems and Control (ICISC)	2 nd International Conference on Inventive Systems and Control (ICISC)	International	2018	ISBN: 978-1-5386-0807-4
2	M.Mukesh Kannan, R.Rajavel , D.S.Balaji	Investigation of grinding characteristics using nano fluids	Proceedings of International Conference on Technological Advances in Mechanical Engineering	International Conference on Technological Advances in Mechanical Engineering	International	2017	978-93-85434-679
3	S Prabhakaran , D.S.Balaji, K.Umanath, M.Vijay, D.Ranjith Menon, Akhil Geevarghese Mathews	Surface contact stress analysis of a spur gear for material steel 40Ni2Cr1Mo28	Proceedings of International Conference on Technological Advances in Mechanical Engineering	International Conference on Technological Advances in Mechanical Engineering	International	2017	978-93-85434-679

4	S Prabhakaran, D.S.Balaji, K.Umanath, R.Sundarganesan, Asish thomas	Root bending stress analysis of a spur gear using finite element analysis	Proceedings of International Conference on Technological Advances in Mechanical Engineering	International Conference on Technological Advances in Mechanical Engineering	International	2017	978-93-85434-679
5	P.Prabhu, K.Umanath, R.Ravi Raja Malarvannan	Experimental study of CUO nanoparticles on thermomechanical properties of nanobased polymer composites	Proceedings of International Conference on Technological Advances in Mechanical Engineering	International Conference on Technological Advances in Mechanical Engineering	International	2017	978-93-85434-679
6	P.Ramanathan, Dr.R.Rajaval	Experimental investigation on performance and emission characteristics of a used cooking oil emulsion with methoxymethane as additives in ci engine	Proceedings of International Conference on Technological Advances in Mechanical Engineering	International Conference on Technological Advances in Mechanical Engineering	International	2017	978-93-85434-679
7	N.Jayakumar	An experimental examination on impact behaviour of glass fiber reinforced unsaturated polyester composite plate by finite element method	Proceedings of International Conference on Technological Advances in Mechanical Engineering	International Conference on Technological Advances in Mechanical Engineering	International	2017	978-93-85434-679

8	N.Jayakumar	A study on properties of silicon carbide and tin reinforced aluminium metal matrix composite	Proceedings of International Conference on Technological Advances in Mechanical Engineering	International Conference on Technological Advances in Mechanical Engineering	International	2017	978-93-85434-679
9	V.Srinivas, S. Haricharan , D.S.Balaji, G.Vijayaganth, K.Umanath, S.Prabhakaran	A finite element study on cold formed steel Z-sections with stiffened holes	Proceedings of International Conference on Technological Advances in Mechanical Engineering	International Conference on Technological Advances in Mechanical Engineering	International	2017	978-93-85434-679
10	S. Ruban Kumar, S.B. Narayana Swamy, V. Dhinesh Kumar, A.R.Sivaram*	A technical review on emulsion fuel with nano additives	Proceedings of International Conference on Technological Advances in Mechanical Engineering	International Conference on Technological Advances in Mechanical Engineering	International	2017	978-93-85434-679
11	A.R.Sivaram*, R.Rajavel, S. Ruban Kumar, S.B. Narayana Swamy	Study on hardness of aluminium alloy (Im6) and zro2 metal matrix composite	Proceedings of International Conference on Technological Advances in Mechanical Engineering	International Conference on Technological Advances in Mechanical Engineering	International	2017	978-93-85434-679
12	J.Harish Kumar, D.S.Balaji, K.Umanath, S.Prabhakaran,	Analysis and optimization of delamination factor during drilling of eglass/	Proceedings of International Conference on Technological Advances in	International Conference on Technological Advances in Mechanical	International	2017	978-93-85434-679

	R.Rajavel	epoxy composite by taguchi method	Mechanical Engineering	Engineering			
13	D.S.Balaji, K.Umanath , S.Prabhakaran, R.Rajavel, Abddur Rahman	Application of grey relation model in a supplier selection process	Proceedings of International Conference on Technological Advances in Mechanical Engineering	International Conference on Technological Advances in Mechanical Engineering	International	2017	978-93-85434-679
14	G Vijayaganth, C.K.Ashikkuma	Study of reduction in pollution level of a single cylinder two stroke engine	Proceedings of International Conference on Technological Advances in Mechanical Engineering	International Conference on Technological Advances in Mechanical Engineering	International	2017	978-93-85434-679
15	A.Vijin Prabhu, P. Jeba, U. Arunachalam, P. Alex Deepan	Effect of cow manure on the anaerobic digestion of biomass waste	Proceedings of International Conference on Technological Advances in Mechanical Engineering	International Conference on Technological Advances in Mechanical Engineering	International	2017	978-93-85434-679
16	A. Vijin Prabhu, P. Jeba, S. Sadesh Kumar, R. Babu	Effect of manure on water hyacinth in anaerobic co-digestion	Proceedings of International Conference on Technological Advances in Mechanical Engineering	International Conference on Technological Advances in Mechanical Engineering	International	2017	978-93-85434-679

17	S. Muthu Baskaran	Ergonomics of material handling systems	Proceedings of International Conference on Technological Advances in Mechanical Engineering	International Conference on Technological Advances in Mechanical Engineering	International	2017	978-93-85434-679
18	Divya Priya G, R.Rajavel	Modelling and analysis of wagon chassis	Proceedings of International Conference on Technological Advances in Mechanical Engineering	International Conference on Technological Advances in Mechanical Engineering	International	2017	978-93-85434-679
19	Arun Navin Joseph	Selection of tires fit for retreading scope for using appropriate mathematical modelling	Proceedings of International Conference on Technological Advances in Mechanical Engineering	International Conference on Technological Advances in Mechanical Engineering	International	2017	978-93-85434-679
20	M. Vinoth kumar, K.srividhya, M.Mukeshkannan	Development of combined braking system for two wheeler	Proceedings of International Conference on Technological Advances in Mechanical Engineering	International Conference on Technological Advances in Mechanical Engineering	International	2017	978-93-85434-679
21	K.Srividhya, S.Divyapriya, R.Rajavel	Design and dynamic analysis of heavy duty bogie	Proceedings of International Conference on Technological Advances in	International Conference on Technological Advances in Mechanical	International	2017	978-93-85434-679

List of Papers Published by Faculty in National & International Conferences (2018 – 2019)

S.No	Name of the Author/Authors	Title of the Paper	Title of the Conference Proceedings	Title of the Conference	National/ International	Year of Publication	ISBN No/ ISSN No
1.	Prathamesh Patil, Sahil oberoi, A.R.Sivaram ,R.Rajavel	Influence of butanol on performance and emission characteristics of Compression Ignition Engine	Conference Proceedings of National conference on Technologies for green mobility - 2019	National Conference on Technologies for green mobility - 2019	National	2019	978-81-940480-0-8
2.	S. Prabhakaran , Mohit Mohandas , Surendra Pal	Mechanical Behaviour of Hybrid Metal Matrix Composites Al7075/ Al ₂ O ₃ / B ₄ C/ Mg) Fabricated By Stir Casting Method	Proceedings of International Conference on Recent Developments in Engineering Management Sciences and Technology (ICTDET19)	International Conference on Recent Developments in Engineering Management Sciences and Technology (ICTDET19)	International	2019	E- ISSN 2456-1983
3.	R.Sundaraganesan , S. Prabhakaran , D.S.Balaji	A review on Machining characteristics of Aluminium 6061-T6 alloy using Water Jet Peening	Proceedings of International Conference on Technological Advances in Mechanical Engineering	2 nd International Conference on Technological Advances in Mechanical Engineering	International	2018	978-93-85434-69-3

4.	Vijay S , S. Prabhakaran, D.S. Balaji	Decision Support for the Inventory Cost Associated with the Wind Turbine Manufacturing Supply Chain	Proceedings of International Conference on Technological Advances in Mechanical Engineering	2 nd International Conference on Technological Advances in Mechanical Engineering	International	2018	978-93- 85434- 69-3
5.	Vijay S , S. Prabhakaran, D.S. Balaji	Selection of Supplier for Wind Industry Through Analytical Hierarchy Process	Proceedings of International Conference on Technological Advances in Mechanical Engineering	2 nd International Conference on Technological Advances in Mechanical Engineering	International	2018	978-93- 85434- 69-3
6.	Vijay S , S. Prabhakaran, D.S. Balaji	Sourcing Strategy to Reduce the Inventory Level of An Automotive Two- Wheeler Company	Proceedings of International Conference on Technological Advances in Mechanical Engineering	2 nd International Conference on Technological Advances in Mechanical Engineering	International	2018	978-93- 85434- 69-3
7.	S.Vijay, S. Prabhakaran, D.S.Balaji	A Review Of Machining Characteristics of Composite Material Using Micro Structure Analysis	Proceedings of International Conference on Technological Advances in Mechanical Engineering	2 nd International Conference on Technological Advances in Mechanical Engineering	International	2018	978-93- 85434- 69-3

8.	B. Balamurugan and K. Umanath	Mechanical behavior of Friction welded Aluminum Reinforced Composites	Proceedings of International Conference on Technological Advances in Mechanical Engineering	2 nd International Conference on Technological Advances in Mechanical Engineering	International	2018	978-93-85434-69-3
9.	B. Balamurugan and K. Umanath	Investigation of Post Weld Heat Treatment on Material ASTM A 106GR B steels	Proceedings of International Conference on Technological Advances in Mechanical Engineering	2 nd International Conference on Technological Advances in Mechanical Engineering	International	2018	978-93-85434-69-3
10.	A Thirugnanam , K Umanath , Nasir Ahmad	Experimental Investigation on Mechanical Behaviour Of AZ31B And AZ61 Magnesium Alloy Coated by Magnetron Sputtering	Proceedings of International Conference on Technological Advances in Mechanical Engineering	2 nd International Conference on Technological Advances in Mechanical Engineering	International	2018	978-93-85434-69-3
11.	T.Sekar, M.Vijay, T.V.Rajamurugan, K.Umanath	Experimental investigation on the impact of Silver Nitrate solution mixed electrolyte in the Electrochemical machining of Austenitic stainless steel	Proceedings of International Conference on Technological Advances in Mechanical Engineering	2 nd International Conference on Technological Advances in Mechanical Engineering	International	2018	978-93-85434-69-3

12.	K Umanath, Sharon R, Abhiraj P S	Experimental evaluation on mechanical properties of friction welded AA6063 aluminium alloy and AISI1010 carbon steel rods	Proceedings of International Conference on Recent Developments in Engineering Management Sciences and Technology (ICRDET'19)	International Conference on Recent Developments in Engineering Management Sciences and Technology (ICRDET'19)	International	2019	E- ISSN 2456- 1983
13.	Sumanthraj.R, Jvinoth.E, A.Adinarayanan	Experimental Investigation of friction welding on magnesium and Aluminium alloy	Proceedings of International Conference on Recent Developments in Engineering Management Sciences and Technology (ICRDET'19)	International Conference on Recent Developments in Engineering Management Sciences and Technology (ICRDET'19)	International	2019	E-ISSN 2456- 1983
14.	K. Naveen Kumar, Yuvanesh sharan R , S.Muthu Baskaran, A.Adinarayanan	A Study on Joining of Dissimilar Metals Using TIG Welding and Testing Methods	Proceedings of International Conference on Recent Developments in Engineering Management Sciences and Technology (ICRDET'19)	International Conference on Recent Developments in Engineering Management Sciences and Technology (ICRDET'19)	International	2019	E- ISSN 2456- 1983

15.	M.Gopinath, A.Ganesh, Gautam Mahesh, Prathamesh Sanjay Patil, A.R.Sivaram	Influence of Nano Particles on Emissions of Biodiesel Fuelled CI Engine	Proceedings of International Conference on Technological Advances in Mechanical Engineering	2 nd International Conference on Technological Advances in Mechanical Engineering	International	2018	978-93-85434-69-3
16.	M.Gopinath, Sebastian Anjos, A.R.Sivaram	Study of Wear Behaviour of Aluminium Alloy(LM6) And Zirconium Carbide(ZRC)	Proceedings of International Conference on Technological Advances in Mechanical Engineering	2 nd International Conference on Technological Advances in Mechanical Engineering	International	2018	978-93-85434-69-3
17.	Hamza Daher, Abheesh antony Prathamesh Patil, A.R.Sivaram* R.Praveen Kumar	Experimental study on performance and emissions characteristics of a biodiesel fuelled ci engine with nano additive	Proceedings of the international conference on engineering and advancement in technology	International Conference on engineering and advancement in technology	International	2019	978-93-81288-18-4
18.	A.R.Sivaram * R.Rajavel , R.Muthumani , S.Naresh, Prathamesh Patil	Effect of Diethyl ether on performance and emission characteristics of a Compression ignition engine	Conference Proceedings of National conference on Technologies for green mobility - 2020	National Conference on Technologies for green mobility - 2019	National	2019	978-81-940480-0-9

19.	E.Vinoth, R.Sumanth Raj, R.Praveen Kumar	Experimental Investigation on Mechanical Properties of Hybrid Composite Material	Proceedings of International Conference on Technological Advances in Mechanical Engineering	2 nd International Conference on Technological Advances in Mechanical Engineering	International	2018	978-93-85434-69-3
20.	E.Vinoth, R.Sumanth Raj, R.Praveen Kumar	Experimental Analysis of Glass Fibre - Sisal Reinforced Composite Material	Proceedings of International Conference on Technological Advances in Mechanical Engineering	2 nd International Conference on Technological Advances in Mechanical Engineering	International	2018	978-93-85434-69-3
21.	R.Praveenkumar, R.Rajavel, Sumanthraj.R, Vinoth. E	Experimental Investigation of Friction Welding on aluminium Alloy	Proceedings of the International Conference On Engineering And Advancement In Technology	International Conference On Engineering And Advancement In Technology	International	2019	978-93-81288-18-6
22.	D.S.Balaji	Analysis of efficiency of outbound logistics process of warehouse for heavy electrical industry	Proceedings of National conference on recent development in Automobile and Mechanical Engineering (RDMAME19)	National Conference on recent development in Automobile and Mechanical Engineering (RDMAME19)	National	2019	Nil

23.	G Vijayaganth, K Umanath	Joining of Similar Metals by Friction Welding- A Review	Proceedings of International Conference on Technological Advances in Mechanical Engineering	2 nd International Conference on Technological Advances in Mechanical Engineering	International	2018	978-93-85434-69-3
24.	G Vijayaganth, K Umanath	A technical review on joining of dissimilar metals by friction welding	Proceedings of International Conference on Technological Advances in Mechanical Engineering	2 nd International Conference on Technological Advances in Mechanical Engineering	International	2018	978-93-85434-69-3
25.	Vijayaganth G, Vishnu A	An Experimental Investigation on Compression Strength and Durability of Geopolymer Mortar	Proceedings of International Conference on Technological Advances in Mechanical Engineering	2 nd International Conference on Technological Advances in Mechanical Engineering	International	2018	978-93-85434-69-3
26.	S. Muthu Baskaran	Optimization of Machining Parameters of Brass Using Taguchi Method	Proceedings of International Conference on Technological Advances in Mechanical Engineering	2 nd International Conference on Technological Advances in Mechanical Engineering	International	2018	978-93-85434-69-3

27.	Mr.V.Kurinji	Human Reliability Analysis (SPAR-H) Method to control workplace accidents	Proceedings of International Conference on Fire Safety & Green Technology (ICFSGT-2018)	International Conference on Fire Safety & Green Technology (ICFSGT-2018)	International	2018	Nil
28.	V.Kurinji, S.Prabhakaran, K.Umanath, Surendra Pal, Mohit Mohandas	Machining Characteristics of Aluminium Metal Matrix Reinforced Composite - A Review	Proceedings of International Conference on Technological Advances in Mechanical Engineering	2 nd International Conference on Technological Advances in Mechanical Engineering	International	2018	978-93-85434-69-3
29.	V.Kurinji, S.Prabhakaran, K.Umanath , Nikhil Fernando	A Review on Optimization on Machining Parameters of Al7075 Alloy and B4C Reinforced Composite by Response Surface Methodology	Proceedings of International Conference on Technological Advances in Mechanical Engineering	2 nd International Conference on Technological Advances in Mechanical Engineering	International	2018	978-93-85434-69-3
30.	Kurinji .V , R.Sundaraganesan, Nikhil Fernando. L , Rejolin S.R	Mechanical Properties of hybrid metal matrix composites Al7075/Al ₂ O ₃ /B ₄ C/Mg fabricated by stir casting method	Proceedings of International Conference on Recent Developments in Engineering Management Sciences and Technology	International Conference on Recent Developments in Engineering Management Sciences and Technology (ICRDET'19)	International	2019	E-ISSN 2456-1983

			(ICRDET'19)				
31.	T.Jayakumar, M. Vengadesh prasad, A. Surya prakash	Wear behavior aluminium alloy reinforced with magnesium oxide and iron oxide	Proceedings of the international conference on engineering and advancement in technology	International Conference on engineering and advancement in technology	International	2019	978- 93- 81288- 18-5
32.	M. Bala Kumaran	Design and analysis of hexagonal drive shaft in all-terrain vehicles	Proceeding of International conference on recent innovations in engineering, technology and management	International Conference on recent innovations in engineering, technology and management (ICRIETM- 2019)	International	2019	Nil
33.	M. Bala Kumaran, K.Nithieskumar, R.Aravindan	Finite element analysis of hexagonal drive shaft in all-terrain vehicles	Proceeding of International conference on recent development in engineering, management sciences and technology	International Conference on Recent Developments in Engineering Management Sciences and Technology (ICRDET'19)	International	2019	E-ISSN 2456- 1983
34.	M. Bala Kumaran	Failure analysis of hexagonal drive shaft in ATV	Proceedings of 4th National conference Developments in automobile and	4th National Conference Developments in automobile and	National	2019	Nil

			mechanical engineering- 2019	mechanical engineering- 2019			
35.	A.Suresh, N.Rajapandi, Rajesh chittam	Maching Ease of EN24 Steel Using Eeternal Energy Aid Machining	Proceedings of International Conference on Recent Developments in Engineering Management Sciences and Technology (ICRDET'19)	International Conference on Recent Developments in Engineering Management Sciences and Technology (ICRDET'19)	International	2019	E- ISSN 2456- 1983
36.	K.Srividhya , R.Rajavel	Investigation of Hydro- Elastic Behaviour of Different Types of Composite Propellers	Proceedings of International Conference on Technological Advances in Mechanical Engineering	2 nd International Conference on Technological Advances in Mechanical Engineering	International	2018	978-93- 85434- 69-3

List of Papers Published by Faculty in National & International Conferences (2019 – 2020)

S.No	Name of the Author/Authors	Title of the Paper	Title of the Conference Proceedings	Title of the Conference	National/ International	Date & Year	ISBN No
1.	Sivaram A R, Albert Gnana Micheal A, Sarveshwaran N & Rajavel R	Impact of alcohol on performance characteristics of a CI engine	Proceedings of 3rd National Conference on Current & Emerging Process Technologies CONCEPT 2020	3rd National Conference on Current & Emerging Process Technologies CONCEPT 2020	National	25th January 2020	978-93-5396-110-7
2.	V.Jaiganesh	Study of Recent Applications of Aluminium and Magnesium series alloys used in friction stir welding	Proceedings of International Conference on Recent Innovations and Developments in Mechanical Engineering(ICRIDME'2k19)	International Conference on Recent Innovations and Developments in Mechanical Engineering(ICRIDME'2k19)	International	15 th November 2019	978-9386712-97-4
3.	V.Jaiganesh	Study on recent applications of aluminium and magnesium series alloys used in friction stir	Proceedings of International Conference on Technological Advances in Mechanical Engineering (ICTAME 2019)	International Conference on Technological Advances in Mechanical Engineering (ICTAME 2019)	International	19th & 20th September 2019	978-93-85434-74-7
