ABOUT NATIONAL SERVICE SCHEME:

INTRODUCTION:

National Service Scheme popularly known as NSS was launched in Mahatma Gandhi Centenary year 1969 and aimed to developing students' personality through community service. National Service Scheme (NSS) is a permanent youth Programme under the Ministry of Youth Affairs and Sports, Government of India.

OBJECTIVE:

- The overall objective of NSS is Personality Development through the community service. The broad objectives of NSS are to:
- Understand the community in which they work.
- Understand themselves in relation to their community.
- Identify the needs and problems of the community and involve them in problem solving process.
- Develop among themselves a sense of social and civic responsibility.
- Utilize their knowledge in finding practical solution to individual and community problems.
- Develop competence required for group-living and sharing of responsibilities.
- Gain skills in mobilizing community participation.
- Acquire leadership qualities and democratic attitude.
- Develop capacity to meet emergencies and natural disasters.
- Practice national integration and social harmony.

MOTTO:

The motto or watchword of the NSS is "Not me but you". It underlines that the welfare of an individual is ultimately dependent on the welfare of society on the whole. This expresses the essence of democratic living and upholds the need of selfless service and appreciation of the other man's point of view and also consideration for fellow human beings.

SYMBOL:

The symbol of the National Service Scheme has been based on the Giant Rath Wheel of the world famous Konark Sun Temple of Orissa, India. These giant wheels of the sun temple portray the cycles of creation, preservation and release and signify the movement in life across time and space. The design of the symbol, a simplified form of the Sun Chariot wheel primarily depicts movement. The wheel signifies the progressive cycle of life. It stands for continuity as well as change and implies the continuous striving of NSS for social transformation and enlistment.

BADGE:

The NSS symbol is embossed on the NSS badge. The NSS volunteers wear it while undertaking any program or community service. The konark wheel in the symbol has eight bars, which represent the 24 hours of the day. Hence, the badge reminds the wearer to be in readiness for the service of the nation round the clock i.e. for 24 hours. The Red Colour in the badge indicates that the NSS volunteers are full of blood i.e. lively, active energetic and full of high spirit. The Navy Blue Colour indicates the cosmos of which the NSS is a tiny part, ready to contribute its share for the welfare of the mankind.

NSS DAY:

NSS was formally launched on 24th September, 1969, the birth centenary year of the Father of the Nation. Therefore, 24 September is celebrated every year as NSS Day

Dental Screening Camp – 15.02.2020, Mahaveer Illam, Chennai

The NSS cell conducted dental screening camp in association with Ragas Dental College for Intellectual Disabilities on 15.02.2020 at Mahaveer Illam, Kanathur Chennai. There are nearly 20 people staying and getting treatment in the place. Recent days young generations are self-centric and they are not ready to spend their time with these people. Hence the NSS Cell created an awareness to the students to help such type of intellectual disabilities.

The team has collected few bags of plastic disposals and disposed in a bin outside the shore area.

International Coastal Clean Up Programme in Association with the Indian Maritime Foundation – 17.09.2017

On behalf of the NSS and ECO Club of AMET Declared as Deemed to be University organized the International Coastal Cleanup Program in association with the Indian Maritime Foundation on 17th September 2017 as a measure of intensification of club activities. With Dr. N. Srikumaran, Coordinator Eco club and Mr. S. Arunkumar, NSS Coordinator and Mr. Suresh, Asst. Professor / Chief warden, AMET where 43 cadets from B.Sc Nautical Science, 55 Cadets from B.E Marine Engineering and 20 students from Non-DG courses involved in the program.

The program had started by dividing 118 volunteers into groups and assigning each of them with areas to clean. The cleaning work started at 6.30 am to 9.00 am. Due to tidal variation which caused by the full moon on the previous day the shore which was available to clean was less. Even though the limitation of the shoreline the volunteers had managed to clean the rest. The University has provided safety gloves and safety masks for safe working the volunteers.
