AMET
UNIVERSITY
(Deemed to be University Under Section 3 of UGC Act 1956)

AMET University
and
Dr. J. Ramachandran Maritime Foundation
Jointly organize

AMET GLOBAL MARITIME SUMMIT 2026

*Theme : Maritime Sustainability 2050: Artificial Intelligence, Green Shipbuilding
and Autonomous Ocean Transport*

Date : 02nd July 2026

Academy of Maritime Education and Training (AMET)

(Deemed to be University)

#135, East Coast Road, Kanathur, Chennai - 603 112

Tamil Nadu, India

Website : www.ametuniv.ac.in

ABOUT AMET UNIVERSITY

Academy of Maritime Education and Training (AMET) is the first Deemed to be University in Maritime Education, recognized by the Ministry of Education, Govt. of India under de novo category. AMET is a pioneering University with membership in International Association of Maritime Universities (IAMU), Japan. AMET is ranked fifth among the Maritime Universities of World in PIMET (Performance Indicators in Maritime Education and Training) Ranking of the IAMU. AMET has been accredited with "Grade A (II Cycle)" by National Assessment and Accreditation Council (NAAC). The Directorate General of Shipping (DGS), Government of India has awarded Grade A1 (Outstanding) through Comprehensive Inspection Programme (CIP) for the past five consecutive years. AMET has so far produced more than 27,000 graduates who are occupying indispensable positions in the shipping; allied industries and service sectors all over the World. Over 5500 students are pursuing various Programmes ranging from Degree to Doctoral programs through eight Faculty comprising of 19 departments in addition to two intensive research centers and seven specialized laboratories. AMET is equipped with excellent infrastructure and ICT enabled education tools and facilities for teaching, training, research and development, co-curricular and extracurricular activities. AMET has strong International and National collaborations with renowned industries and academia which in turn enhances on-campus placements for students and cadets across all disciplines. AMET successfully hosted AGA-2025 in association with International Association of Maritime Universities, Japan.

ABOUT THE DR. J. RAMACHANDRAN MARITIME FOUNDATION

The Dr. J. Ramachandran Maritime Foundation was established to honor the remarkable contributions of Dr. Naesey J. Ramachandran, an eminent educationist and visionary leader. Our mission is to recognize and celebrate outstanding achievements in maritime education and industry, focusing on sustainable development goals. We aim to inspire future generations to follow in Dr. Ramachandran's footsteps, driving innovation and excellence in the maritime sector.

ABOUT THE SUMMIT

The AMET Global Maritime Summit on Maritime Sustainability 2050: Artificial Intelligence, Green Shipbuilding and Autonomous Ocean Transport aims to bring together researchers, academicians, industry experts, policymakers, naval architects, marine engineers, technology innovators, and environmental specialists from across the globe to discuss the future of sustainable maritime development.

The summit focuses on transforming the maritime sector through the integration of Artificial Intelligence (AI), intelligent automation, eco-friendly shipbuilding technologies, renewable marine energy systems, and autonomous ocean transport solutions. As the maritime industry moves toward decarbonization and digital transformation, the summit provides a global platform for exchanging innovative ideas, emerging technologies, practical solutions, and collaborative research opportunities.

The program includes, technical sessions, panel discussions and networking opportunities that encourage interdisciplinary collaboration toward achieving sustainable and smart maritime operations.

ABOUT THE THEME

The theme "Maritime Sustainability 2050: Artificial Intelligence, Green Shipbuilding and Autonomous Ocean Transport" highlights the urgent need for environmentally responsible, technologically advanced, and energy-efficient maritime systems.

Rapid advancements in Artificial Intelligence, machine learning, robotics, digital twins, autonomous navigation, and green energy technologies are reshaping the future of global shipping and ocean transportation. Simultaneously, the industry faces major challenges such as carbon emissions, fuel efficiency, climate change, maritime safety, cybersecurity, and sustainable ocean resource management.

This theme emphasizes the development of intelligent maritime infrastructure, zero-emission vessels, smart ports, autonomous ships, green propulsion systems, and sustainable marine operations aligned with international sustainability goals and IMO decarbonization targets.

CALL FOR PAPERS

Articles of Original contributions which are not already submitted or published elsewhere are invited from researchers, professionals, industrial delegates, faculty and students on areas related to scope of the conference. Each article must be accompanied by an abstract and should be prepared as per IEEE template.

The article in MS-word format should be submitted to agms2026@ametuniv.ac.in

Further details are available in <https://www.ametuniv.ac.in/maritime-foundation>

PUBLICATIONS

- All articles submitted for the conference will be screened for similarity and those with less than 10% similarity index only will undergo Review. Articles deemed unacceptable will be rejected.
- Submitted articles will be peer-reviewed by the competent reviewers. All registered articles will be published in the proceedings of the conference with ISBN. Extended articles will be published in the Scopus Indexed Journal.

IMPORTANT DATES

Last date for Submission of Abstract	-	5 th June 2026
Last date for Submission of Full Paper	-	15 th June 2026

Notification of Acceptance of Full Paper	-	22 nd June 2026
Date of Conference	-	02 nd July 2026

REGISTRATION FEE

Registration Categories	Fee
Students & Research Scholars	₹250
Academician	₹500

Registration Categories	Fee
Industry Professionals	₹750
Foreign Author (by Affiliation)	\$50

PAYMENT DETAILS

Payment of the conference registration fees must be made online through NEFT/RTGS/IMP to the below mentioned bank account. While making online payment, authors are further requested to mention their Article-ID and name in the payment remarks. This will help us to trace your payment in the bank statement.

Beneficiary Name	: AMET University
Account Number	: 510101004153171
IFSC Code	: UBIN0911356
Bank/ Branch	: Union Bank of India, Sholinganallur Branch.

TOPICS OF INTEREST

Researchers, academicians, industry professionals, and students are invited to submit original research papers and technical contributions in the following areas, but not limited to:

TRACK 1: GEO POLITICAL TENSIONS UNDER IMPACT ON GLOBAL SUSTAINABILITY

- Geopolitical Tensions Affect Global Sustainability
- Conflicts Impact Renewable Energy Transition
- Energy Security and Climate Challenges
- Geopolitics and Food Security Issues
- Maritime Conflicts Affect Ocean Sustainability
- International Relations and Sustainable Development
- AI Governance in Geopolitical Stability

TRACK 3: GREEN SHIPBUILDING AND OPERATIONAL TECHNOLOGIES

- Sustainable ship design and optimization
- Eco-friendly shipbuilding materials
- Lightweight marine structures
- Green manufacturing technologies
- Energy-efficient marine systems
- Carbon-neutral shipbuilding practices
- Ship recycling and lifecycle management
- Smart and modular ship construction

TRACK 2: AUTONOMOUS OCEAN TRANSPORT

- Autonomous ships and unmanned vessels
- Smart navigation systems
- Remote vessel monitoring and control
- Marine robotics and automation
- Human-machine interaction in shipping
- Sensor integration and intelligent control
- Autonomous logistics and cargo handling
- Collision avoidance systems

TRACK 4: ARTIFICIAL INTELLIGENCE IN MARITIME SYSTEMS

- AI-based ship navigation and control
- Machine learning for marine operations
- Predictive maintenance and fault diagnosis
- Intelligent maritime surveillance systems
- Maritime data analytics and big data
- AI applications in port management
- Digital twins for maritime systems
- Autonomous decision-support systems
- AI in logistics and Cargo handling

Chief Patrons :

Dr. J. Ramachandran, Chancellor, AMET

Dr. Rajesh Ramachandren, President, AMET

Mrs. Susheela Ramachandran, Managing Trustee, AMET

Col. Dr. G. Thiruvassagam, Provost, AMET

Patron :

Prof. Dr. V. Rajendran, Vice Chancellor, AMET

Organizing Committee :

Dr. Deepa Rajesh, Vice President (Academics), AMET

Dr. V. Sangeetha Albin, Registrar, AMET

Capt. Gopal Srinivas, Principal DGS Courses, AMET

Capt. Dr. K. Karthik, Principal, AMET Institute of Science and Technology

Capt. V. Chandra Sekhar, Director, Placements, AMET

Dr. T. Sasilatha, Principal General Programmes, AMET

C/E. B. Subbarao, Dean, Marine Engineering, AMET
